Tara Dillard, Don Williamson : Perennials for Georgia before purchasing it in order to gage whether or not it would be worth my time, and all praised Perennials for Georgia:

0 of 0 people found the following review helpful. great bookBy GKjust moved from California to Georgia and am loving seeing all the different plants I can plant to make my home here just as beautiful as the one I had in California.

Great book and terrific seller.0 of 0 people found the following review helpful. Great book. I am glad that I bought itBy Lawrence E. JohnsonGreat book. I am glad that I bought it.2 of 2 people found the following review helpful. Georgia Mountain guyBy Frederick G. BrownWe planted a perennial garden this summer, and this book was just the ticket for describing the various perennials available in our local nurseries (Home Depot, Lowes, Ace Hardware). A very helpful book, well illustrated and a pleasure to read and own.

Perennial gardening can be easy, fun and rewarding, as well as economical and not too time consuming. With detailed accounts of 90 different species of perennials, along with information on 382 recommended varieties and cultivars, this guide takes the guesswork out of what to grow in the Peach State. The authors' practical, commonsense advice will help bring color and variety to your garden:* Flower and foliage colors* Height and spread ranges* Blooming periods* How and when to start your plants* Planting strategies* Light, water and nutrient needs* Choosing the best perennials for different growing conditions.Containing more than 500 color photographs and a wealth of information about the best perennials available for Georgia gardeners, this beautifully illustrated book is sure to meet your needs.
