**Mark A. Stewart : Perfect Personal Statements, 3rd edition (Peterson's How to Write the Perfect Personal Statement)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect

Personal Statements, 3rd edition (Peterson's How to Write the Perfect Personal Statement):

9 of 10 people found the following review helpful. Waste of Money and Time - Don't Buy This Book!By CustomerI purchased this book without looking through it first and am extremely disappointed. While it did provide some good advice on what not to include in a personal statement, the sample essays provided seemed trivial and senseless. Also, the book seems to be written for kids still in college and recent grads, and focuses mostly on medical and law school admissions. It totally ignores working adults and people seeking admission into other graduate programs, such as human services and education. The time I wasted reading this book could have been better spent actually writing my own admissions essay!0 of 0 people found the following review helpful. BadBy A. HoeHorrible book. The title should read "Perfect personal statements for law, medical and graduate school rejections"9 of 19 people found the following review helpful. Not Worth Giving AwayBy UrNOTKITTENI just glanced at one essay in this book and I found horrible grammatical errors such as failing to Capitalize the name of a university. I'm glad I didn't buy it and hope no one else does either.

**DESCRIPTION** Thirty samples of successful application essays with insights from admissions officers on winning strategies. Every student needs help writing essays.
