Counselor, so trust me - I've got the experience and have read plenty of these type of books. However, maybe not as helpful for upper level jobs, but then again, by the time you are there I hope you will already have a fantastic resume.0 of 0 people found the following review helpful. Three StarsBy Leatrice H.This book was OK... helped a little with my resume but I could've done without it.0 of 2 people found the following review helpful. Missing pagesBy Denise. C. HThe copy I got has missing pages, so I have no idea what information I am missing. The seller was easy to work with.

Your resume may be your most important job-hunting tool, getting you in the door for an interview where you can really sell yourself. Building on the success of the Perfect Phrases series, Perfect Phrases for Resumes provides job hunters with the tools they need to craft winning, expertly worded resumes. The quick-reference format gives resume writers easy access to the exact phrases they need to best describe their experience and skills. This book focuses on the core of a successful resume - the phrases you use to convey your expertise to the reader. By doing away with the sample resume format, Perfect Phrases for Resumes can focus on the most important guidance resume writers need, presenting the most effective, eye-catching wording. You won't have to read through dozens of sample resumes in the hopes of finding wording that applies to you;
