**Peterson's Guides : Peterson's Guide to MBA Programs 1998: A Comprehensive Directory of Graduate Business Education at U.S., Canadian, and Select International Business Schools (Serial)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Peterson's Guide to MBA Programs 1998: A Comprehensive Directory of Graduate Business Education at U.S., Canadian, and Select International Business Schools (Serial):

An MBA is today's most sought-after postgraduate degree. Hundreds of thousands of students each year are looking for the schools that best meet their particular needs and schedule, and this brand-new 3rd edition gives them over 850 choices: full-time, part-time, distance learning, joint-degree, and executive MBA programs in the U.S. and Canada and abroad. Prospective business school students can rely on what they find here: -- Program descriptions provide in-depth information-- "MBA Programs At-A-Glance" makes it easy to compare costs, entrance difficulty, degree requirements, and more-- Expert advice explains how to gain the competitive edge for admissions-- Smart tips show ways to pay for business school Plus, the "Career Advisory" helps readers choose the right program for their career goals and previews future employment opportunities. Returning students will want to read about the top things to consider before they enroll, and those thinking about schools abroad will learn about the pros and cons of studying overseas. MBA Programs 1998 gives all the details prospective business students need to make a smart choice about one of the biggest investments of their lives!
