PETERSON'S : Peterson's Guide to MBA Programs 1999: A Comprehensive Directory of Graduate Business Education at U.S., Canadian, and Select International Business Schools (5th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Peterson's Guide to MBA Programs 1999: A Comprehensive Directory of Graduate Business Education at U.S., Canadian, and Select International Business Schools (5th Edition):

The most comprehensive source on global MBA programs and the only guide that provides details on over 900 institutions in the U.S. and 38 countries. It covers more than 2,600 full-time, part-time, joint-degree, international, and executive master's-level business programs. Informative articles provide insight into the admission process, financing an MBA, and current and future trends for MBA graduates.-- Admissions requirements and figures-- Faculty and facilities-- Tuition and financial aid
