Honors programs and colleges are a popular choice for students who want a rigorous academic program at an affordable price. And the best place to research honors programs is with the only reference guide available devoted solely to honors programs and colleges. Features and benefits include * The Official Guide of the National Collegiate Honors Council * Newly updated information on nearly 700 programs and colleges * Actual alumni profiles from Honors Programs and College graduates attesting to the benefits of an "honors" education * Insight from Deans and Program Directors on the honors experience * Quick-Reference Chart detailing size of program, scholarship

availability, acceptance of transfer students, and types of academic advisors (academic, graduate and/or fellowship)
