From Brand: Petersons : Peterson's MBA Programs: U. S., Canadian, and International Business Schools, 2001 before purchasing it in order to gage whether or not it would be worth my time, and all praised Peterson's MBA Programs: U. S., Canadian, and International Business Schools, 2001:

2 of 2 people found the following review helpful. The must use book before reserching an MBA programBy Tal BermanIt's the most difficult phase... Choosing the right program for you. You need any help you can get in order to complete your desicion. This book evaluates all of the schools who gives you a chance to study for an MBA. It covers admissions, financing, placement and all programs available. A must use book for those seeking out the right program. You won't be disappointed... Trust me.1 of 3 people found the following review helpful. Looks better than it isBy Alberto BezanillaIf you are serioulsy thinking about an MBA, you will not find anything extra in this book that is not

already available in the internet. Talk to people, surf the web and save the bucks!

A grad school essential, this book details over 900 business schools offering full-time, part-time, joint-degree, dual-degree, international, and executive MBA programs. Potential students get insight into the admission process, financing an MBA, and trends for MBA graduates.
