David Travis : Photographs from the Julien Levy collection starting with Atget: [exhibition] The Art Institute of Chicago, December 11, 1976-February 20, 1976 [i.e. 1977] before purchasing it in order to gage whether or not it would be worth my time, and all praised Photographs from the Julien Levy collection starting with Atget: [exhibition] The Art Institute of Chicago, December 11, 1976-February 20, 1976 [i.e. 1977]:

0 of 0 people found the following review helpful. Julian Levy - Collector of Photography par excellence!By RutchmatherMr. Travis' account of Levy's beginnings and starting of photography exhibits, travels to Paris, meetings with photographers and artists is what makes this catalog more than a mere account of a particular collection. Levy knew the photographers he was buying prints from and his collection was predominantly photos made by the photographer. Very insightful reading with mentions of other Chicago area galleries, companies, and colleges that attempted to collect photographs.
