and all praised *Phraseology: Thousands of Bizarre Origins, Unexpected Connections, and Fascinating Facts about English's Best Expressions*:

0 of 0 people found the following review helpful. less than 1 star - NOT what you'd expect
By bunyunnot what I expected - a few things that are interesting and things that aren't common knowledge but MOSTLY things that are ridiculously obvious. most annoying is that it isn't popular phrases, its simple words and compound words too, that need no explaining! Waste of money!!!!
0 of 0 people found the following review helpful. happy that I got absolutely new book
By Larisa G. Horback It arrived in time, happy that I got absolutely new book; the book will be helpful for my translations
0 of 0 people found the following review helpful. Don't need definitions!
By Atticus "Artesian well" is not a bizarre, unexpected or fascinating phrase. While I was in college (100 years ago), my boyfriend, a few others, and I kept a list of quirky sayings. We were going to put them together at some date, but never happened. This is definitely a guest bathroom book at best.

The Amazing Secrets of the Phrases We Use Everyday *Phraseology* is the ultimate collection of everything you never knew about the wonderful phrases found in the English language. It contains information about phrase history and etymology; unusual, lost, or uncommon phrases; how phrases are formed; and more than 7,000 facts about common English phrases. Practical enough to be used as a reference book but so fun that every book lover will want to read it straight through, *Phraseology* contains such engrossing tidbits as: **ACROSS THE BOARD** is an allusion to the board displaying the odds in a horse race **ARTESIAN WELL** gets its name from Artois, where such wells were first made **BEST MAN** originated in Scotland, where the groom kidnapped his bride with the aid of friends, including the toughest and bravest - the best man.

About the Author Barbara Ann Kipfer, PhD is the author of many list and reference books. Barbara has an MPhil and PhD in Linguistics from University of Exeter, a PhD in Archaeology, an MA in Buddhist Studies from Greenwich University, and a BS in Physical Education from Valparaiso University.
