**From Cameron McGraw : Piano Duet Repertoire, Second Edition: Music Originally Written for One Piano, Four Hands (Indiana Repertoire Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Piano Duet Repertoire, Second Edition: Music Originally Written for One Piano, Four Hands (Indiana Repertoire Guides):

1 of 1 people found the following review helpful. A wonderful resource for all pianists. By Timothy Brown  
An excellent resource for introducing the wealth of both traditional and new "Piano Duet" literature to pianists and scholars in all walks of life. Very well organized and includes precise and articulate reviews of each included work. I am sure that this outstanding book will soon become the hallmark for both study and reference materials for the 21st century pianist. A must have for all pianists and lovers of the piano. Timothy Brown

By Cheryl Laughlin  
Very well organized with lots of information

Since the 1981 publication of the first edition, Cameron McGraw's Piano Duet Repertoire has been a trusted guide for duet performers. This second edition, edited and substantially expanded by Christopher and Katherine Fisher, brings the volume into the 21st century, adding over 500 new or updated composer entries and nearly 1,000 new work entries to the volume, a testament to the renewed interest in piano duet playing. Entries are arranged alphabetically by composer and include both pedagogical and concert repertoire. The annotations and the grade-level indications provide piano teachers a wealth of instructional guidance. The book also contains updated appendices listing collections and duet works with voice and other instruments. This new edition features a title index and a list of composers by nationality, making it a convenient and indispensable resource.

This is a valuable resource for any piano duo or teachers wanting to expose students to the delight of playing piano duets. . . . Highly recommended. (Choice)  
As one of the newest volumes in the Indiana Repertoire Guides series, this expanded edition McGraw's Piano Duet Repertoire is highly recommended for individuals and libraries. (Music Reference Services Quarterly) "Bravo! The revised and expanded edition of Piano Duet Repertoire is a major contribution. We know how difficult and complex it would be to bring so much information together; you have triumphed over a formidable challenge!" (Dallas Weekley and Nancy Arganbright)  
From the first edition: [F]or those who love the medium [this] is sure to be a kind of wish-book, making one say, I want to see that one!  
Notes  
Excellent reference for teachers and performers alike. . . . Choice  
About the Author  
Cameron McGraw (1919-1995) was Co-Director of the Jenkintown Music School and composer of numerous works for piano, orchestra, and chorus. His articles appeared in Piano Quarterly and Clavier, and he edited the anthology Four Centuries of Keyboard Music.  
Christopher Fisher is Professor of Piano at Ohio University and author of Teaching Piano in Groups. Katherine Fisher is an affiliate faculty member at the Athens Community Music School and performs with her husband Christopher in the award-winning Fisher Piano Duo.
