**Carl Humphries : Piano Workbook: A Complete Course in Technique and Performance** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Piano Workbook: A Complete Course in Technique and Performance:

A companion to the bestselling Piano Handbook, this is a comprehensive practical course in modern piano playing, teaching the basics of posture and music reading through advanced technique and interpretation. It also covers using the piano in performance, improvisation, songwriting and composition and can be used either alongside the earlier volume or as an entirely separate course. The accompanying CD features 58 tracks of exercises and pieces. Hardcover

with concealed spiral-binding.
