Sue C Davis : Pictorial Guide to Vaseline Glass (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pictorial Guide to Vaseline Glass (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. A gift for my daughterBy Michelle C BaikoI have collected carnival glass for years. My daughter recently discovered how much she likes vaseline glass so I wanted to buy her something to help her identify pieces she might find. She truly loves this book! Thank you!0 of 0 people found the following review helpful. If OnlyBy TaosBillgreat pictures of beautiful vaseline glass that we most likely will never see, but now I know what to look for.0 of 0 people found the following review helpful. Five StarsBy Customergreat for the glass collector.. love the book!!

This gorgeous book showcases more than 600 Vaseline glass items made from the mid-1800s to the present day.

Shown in full color are eye-catching fluorescent vases, pitchers, salts, bowls, lamps, goblets, baskets, epergnes, perfumes, and many other forms of this unique glass. Informative captions provide pattern names, circa dates, manufacturers where known, dimensions, and current values. Also features background information on the history and production of Vaseline glass, how to recognize reproductions, a glossary, and tips for purchasing and displaying your collection. A beautiful reference that will be enjoyed for many years to come!

About the Author Sue C. Davis, a native Texan, has been collecting Vaseline glass for 29 years. She has been a guest speaker of the Depression Glass Club in Dallas and an article on her extensive collection was featured in The Dallas Morning News. This is her second book on Vaseline glass for Schiffer Publishing.
