National Geographic Maps - Trails Illustrated : Pikes Peak, Canon City (National Geographic Trails Illustrated Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pikes Peak, Canon City (National Geographic Trails Illustrated Map):

1 of 1 people found the following review helpful. Great MapBy merkinman9669I love Nat Geo Maps because they

cover large areas but with enough detail to hike with. Be careful, does not show recent closures due to burn areas (Waldo Canyon trail). 1 of 1 people found the following review helpful. National Geographic Map Series By David K Story Good quality, water resistant map of the Pike's Peak area. Up to date and includes all the major trails and forest roads. 0 of 0 people found the following review helpful. Five Stars By Paul Love these maps.

Waterproof Tear-Resistant Topographic Map The highest summit in the southern Front Range of the Rocky Mountains, Pikes Peak towers over Colorado Springs like a granite sentinel. Explore this and other geological attractions such as Garden of the Gods, Florissant Fossil Beds, and the Royal Gorge with National Geographic's Trails Illustrated map of Pikes Peak, Canon City. Expertly researched and created in partnership with local land management agencies, this map features key points of interest including Pike National Forest; Arkansas River; Mueller State Park; Dome Rock State Wildlife Area; and Rampart Reservoir and Shelf Road recreation areas. The print version of the map includes detailed insets of Garden of the Gods and Palmer Park. This map can guide you off the beaten path and back again with miles of mapped trails including mountain bike routes, and snowmobile, ATV, and interpretive trails. Scenic byways are clearly noted for those taking in the scenery by car. Recreation features are clearly marked, including campgrounds, trailheads, fishing and boat access, and cross country ski and climbing areas. The map base includes contour lines and elevations for summits, passes and many lakes. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Colorado Springs, Pike National Forest, Pikes Peak, Royal Gorge, Seven Falls. Map Scale = 1:63,360 Sheet Size = 37.75" x 25.5" Folded Size = 4" x 7.5"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
