Inc. BarCharts : Pills Medication (Quick Study: Health) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pills Medication (Quick Study: Health):

0 of 0 people found the following review helpful. this is wonderful to keep information fresh and to give me knowledge ...By Brianna Curtis As a pharmacy student, this is wonderful to keep information fresh and to give me knowledge when I forget or to look something up. Instead of going through thousands of pages I can flip through this and get a refresher. It is great for review. I suggest this for anyone in pharmacy school or as a pharmacist. 0 of 0 people found the following review helpful. Five Stars By David Luna Very complete 0 of 0 people found the following review helpful. Three Stars By Jennifer F. Not very informative for what I was looking for...and very vague

BarCharts newest addition to its line of health guides includes the Pills Medications QuickStudy guide, designed for quick reference for the most common conditions affecting adults and the drugs most often used to treat them. As

always, this guide uses BarCharts trusted, easy-to-access fold-out format that, when used in conjunction with your doctors advice, helps you keep your medication knowledge fresh and better monitor your own health conditions.
