The Kuku dialect is unique, rich and dynamic. To keep up-to-date with its ever changing trend, we have put together this basic and handy book for all to grasp and converse with confidence in Kuku. This first edition offers a number of words in Kuku with their English translations. Though not claiming to be definitive, this is a rare and important publication on Kuku dialect. It also fulfills the basic demands of any traveler visiting Kajo-Keji for the first time, and it comes handy to all the Kuku children and adults in Diaspora.
