From Oxford University Press : Pocket Fowler's Modern English Usage (Oxford Quick Reference) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Fowler's Modern English Usage (Oxford Quick Reference):

0 of 0 people found the following review helpful. Good reference bookBy Idy E. LinaresIt is a great resource for clarifying the meaning of words you may have doubt about. It has 664 pages printed clearly and in an easy to understand manner.2 of 3 people found the following review helpful. A Great Reference Book for WritersBy Stanley

C. Sargent There are many questions about grammar that a writer encounters. Often those questions are not addressed in the standard writer's reference books. This book has been the mainstay of writers for nearly a century. It has been updated recently to include and reflect computer references and changes in our ever-evolving language. It also indicates differences in American and British English usage, which is great. It's a hefty volume that won't really fit in your pocket, but it is a super reference I recommend every writer have on the shelf and handy. 0 of 1 people found the following review helpful. Fowler's Modern English Usage By S. Nordmann I bought this as a gift for a young man who will be entering community college this fall. In my opinion, a Fowler reference book is a necessity on every student's bookshelf!

This invaluable reference work offers the best and most sought-after advice on English grammar based on Henry Fowler's original, which is still a classic text after nearly 80 years. Updated with the use of Oxford's unique language databases, it comprises over 4,200 entries giving clear recommendations on grammar, pronunciation, spelling, and writing style. This pocket-sized book gives advice on how to avoid common pitfalls in English usage, such as the split infinitive, infer or imply, who or whom. This work also offers broad coverage of British and American English, including examples from all over the English-speaking world and wide-ranging illustrative quotations from well-known authors, such as Julian Barnes and A. S. Byatt, and international newspapers and journals.

from previous edition 'Britain's most authoritative guide to English' Robin Young, The Times, 28.10.99 About the Author Robert Allen was a Senior Editor on the OED until 1982, and Editor of the Concise Oxford Dictionary until 1990. He now works as a freelance writer and editor.
