Langenscheidt Publishers : Pocket Guide to Synonyms and Antonyms (Langenscheidt English Language Reference) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Guide to Synonyms and Antonyms (Langenscheidt English Language Reference):

Admit it. How many times have you been tempted to pull a word out of thesaurus without being really sure if it conveys what you want it to convey? Spare yourself the potential embarrassment with the Rocket Guide to Synonyms and Antonyms. More than just a thesaurus, this terrific little reference provides you with shades of meaning, pointing out subtle and not-so-subtle differences in related words. What other book looks out for you, ensuring that your writing appears as brilliant as you are?
