help. By Customer A good book if you are going overseas for a short time and need help surviving. It has most of the basic words and phrases. When we were in Indonesia, I didn't use it as much as I thought I would simply because I had other means of language help. It's the perfect size to keep in your purse and hopefully get you out of jam! The most important word to know is "maaf" which means "sorry". :) 0 of 0 people found the following review helpful.
