**Benjamin Wilkinson, Giuong Van Phan : Pocket Vietnamese Dictionary: Vietnamese-English English-Vietnamese (Periplus Pocket Dictionaries)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Vietnamese Dictionary: Vietnamese-English English-Vietnamese (Periplus Pocket Dictionaries):

It's a fine little dictionary, but there are very few entries -- too few to be really useful if you're a serious student. After about a year, I purchased the Tuttle Compact Vietnamese-English dictionary, which is much more extensive and has actual usage examples. And frankly, it wasn't very expensive. Anyway, this pocket dictionary might be nice to take along on a quick trip to Vietnam, as it's very slim, but otherwise I'd go with the Tuttle.6 of 6 people found the following review helpful. Very helpful little bookBy M. EvansIt is a small little book but a wealth of different words, sayings and phrases that are easy to find quickly. It even has pronunciation keys that make a huge difference in what is communicated.0 of 0 people found the following review helpful. Five StarsBy VersatileGreat book to get you by.
