Mary Ellen Scullen, Cathy Pons, Albert Valdman : Points de depart, Books a la Carte Plus MyFrenchLab with eText (multi semester access) -- Access Card Package (2nd Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Points de depart, Books a la Carte Plus MyFrenchLab with eText (multi semester access) -- Access Card Package (2nd Edition):

0 of 0 people found the following review helpful. If this is required text I am so sorry for you By mar213 this is such a horrible book. our teacher even says its horrible. Jumps from one subject to another in not coherent fashion what so ever and do NOT even get me started on the online course work that the publisher includes in the price of this pack of paper. Hearing assignments are so bad - you slow it down and it chops so much it doesn't even make any audible words anymore. Overly frustrating and just a huge waste of money to make students pay for. Horrible - literally

learned so much more from the for dummies brand on french than this thing. Instructions are confusing and make no sense as most are written in french and as beginners in french wouldn't it make sens to explain the prepositions and other parts of grammar so students understood what the f*** was going on ?0 of 0 people found the following review helpful. Buy a Book, this is too fragile.By Daniel LoganbillThe material is GREAT!It is hardcore minimal english stuff, BUT I would suggest buying the HARD BACK, or even a Soft back BOOK.The pages are really fragile and rip too easily from a binder.If you buy this get lots of those little three whole punch paper guards.0 of 1 people found the following review helpful. ReviewBy Mario SanchezIt was missing a few pages of the book.

Streamlined for ease of use, focused on student outcomes. For use in high-beginner or one semester courses, this 10 chapter version of the bestselling elementary French text, Chez nous, stands apart from other first year French texts by carefully selecting lexical and cultural content for broad coverage within a highly disciplined framework.Changes to the Second Edition focus on enhancing student outcomes, including a new design, refinements to the scope and sequence, new strategy boxes, and new comprehension based grammar activities. Balanced Approach The user-friendly organization divides each chapter into three lessons that feature integrated lexical and grammatical presentations, sequenced practice, cultural information, and a culturally based skills activity.
