**Mary Ellen Scullen, Cathy Pons, Albert Valdman : Points de dpart (2nd Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Points de dpart (2nd Edition):

Streamlined for ease of use, focused on student outcomes.For use in high-beginner or one semester courses, this 10 chapter version of the bestselling elementary French text, Chez nous, stands apart from other first year French texts by carefully selecting lexical and cultural content for broad coverage within a highly disciplined framework. Changes to the Second Edition focus on enhancing student outcomes, including a new design, refinements to the scope and sequence, new strategy boxes, and new comprehension based grammar activities. Balanced Approach The user-friendly organization divides each chapter into three lessons that feature integrated lexical and grammatical

presentations, sequenced practice, cultural information, and a culturally based skills activity.
