1 of 1 people found the following review helpful. What's my Pokemon Card's Value?By FireBreak!!This book helps the collector determine the value of all Pokmon Cards issued from that time period. I wish and hope that another updated version might be released soon. If you love collecting Pokmon Cards then this book should definitely be in your Library. It comes with pictures and description to the utmost detail. I would prefer a Hard Back book but still an excellent book overall.1 of 1 people found the following review helpful. 8.5/10*By LaurenAlmost brand new. A few crinkled pages and minor writing indentations on the front cover. Overall, happy with my purchase. 8.5/100 of 0 people found the following review helpful. I really like the value guide and I got it very quickly ...By N.PI really like the value guide and I got it very quickly which is great. Some of the pages were falling out and I think that should have been mentioned when reading about the conditions of the guide prior to purchase but other than that I'm happy with what I got.

The Pokmon 2000 Collectors Value Guide gives an overview of the major Pokemon characters, a description of the television show as well as an overview of the trading card game.
