buy and ended up with this one. Now she's using it every day and is happy with it. 0 of 1 people found the following review helpful. This is not the dictionary I've search for. By Elizabeth I was searching specifically for Hippocrene Polish-English, English-Polish Dictionary: American English Edition This is the one that came up. Not being able to look inside, as it is often possible, I have assumed that this was the one I was looking for. Unfortunately this one turned out to be too basic for me. The attempts of an exchange were not fruitful. At first I was told (wrongfully) that I was outside of the prescribed time limit and then was made fun of for choosing from the drop of window "mistake" as the reason for exchange. It was a disappointing experience.
