With more in-depth coverage of current political controversies than any other reference guide, Political Handbook of the World 2014 is the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Featuring more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political

system. It also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies.
