0 of 0 people found the following review helpful. What's not to like??By Zazabel Easy to read, easy to fold, durable. Slides neatly in a pocket. Perfect for bright sunlight when cell phone screens are impossible to read. I always like a back up map when in unfamiliar territory.

VanDam's patented Miami Pop-Up maps all of Miami's attractions, neighborhoods, museums, hotels, beaches, and more all at an immensely legible scale complete with 3-D building illustrations. Each map unfolds to 12 times its original size, then refolds automatically when the covers are closed. Size open is 8.5" x 11" per section; 3.75" x 6" closed. Eminently clear information design allows users to read the map from three feet away. Includes detailed Downtown, South Beach, Wynwood, Coral Gables, and Coconut Grove maps and more. Also includes a map of Metro Miami. Complete street index makes navigating the city fun and easy. Become an instant Miamian and get a sexy collectible souvenir of your visit.
