**From French European Pubns : Portuguese - English / English - Portuguese Legal Dictionary : Dicionario Juridico Portugues - Ingles / Ingles - Portugues** before purchasing it in order to gage whether or not it would be worth my time, and all praised Portuguese - English / English - Portuguese Legal Dictionary : Dicionario Juridico Portugues - Ingles / Ingles - Portugues:

13 of 13 people found the following review helpful. A good starting tool for international business relationsBy David BoroughI picked up this book directly from the author's international law firm, Noronha Advogados, at their Rio de Janeiro office. I used it in all my dealings in Brazil. When you need a translation of a legal term a regular English-Portuguese dictionary just won't do. This book let me know that a quit claim is called a quitaco in Brazil, and fiduciary

is similar in Portuguese. These are legal definitions written by lawyers, so when you are in negotiations or deciphering a contract it is indispensable, since you need the precise legal words and just some synonym. Of course, this book is no replacement for official legal translations of important documents, but when you are learning and doing day-to-day negotiations, it is important. I gave a copy as a gift to my real estate broker in Brazil with a letter wishing him a good future with north americans since so many are moving to his area. He thanked me very much for it and said it is an ideal gift for him. His colleague, another attorney, also specially thanked me for the gift, saying they really needed something like this. So, it can be used to improve relations and build business in Brazil with English speakers, as well.

O Dicionrio Noronha dedicado aos advogados interessados em seguir uma carreira no fascinante mundo do direito internacional. Os verbetes tm sentido prtico e reproduzem palavras normalmente utilizadas pelo advogado neste enorme universo em que ele est atualmente envolvido, prestando um indispensvel servio sociedade. Assim, o dicionrio inclui termos de negcios bancrios, financeiros, fiscais, de seguros, de contabilidade, comrcio internacional, diplomacia, de meio ambiente, bem como a mais tradicional e estrita terminologia jurdica.
