These workbooks have helped a lot.4 of 4 people found the following review helpful. Complicated Subject made UnderstandableBy rana verdeAll the Practice Makes Perfect books are superb teaching machines. I have many for Spanish so when I began studying Italian I immediately order the ones for the Italian language that I wanted. There was no need to investigate any other books.0 of 0 people found the following review helpful. Are there errors in the answer key?By Joe PfeilerPronouns in Italian go far beyond

simply memorizing words and phrases -- this is where I feel I have to begin to "think" in Italian. This book is a great way to supplement the "Living Language" course I'm using. Does anyone know if the following are errors, in the Unit 4 answer key? 4-2.4, 4-2.5 and 4-8.1: should these be "la" instead of "lo"? And should 4-7.5 be "sta" instead of "sto"?

Based on the successful approach of the Practice Makes Perfect series, Italian Pronouns and Prepositions offers a clear and engaging presentation of all aspects of pronoun and preposition usage, combined with extensive practice, for beginning and intermediate language learners. This new edition features a new review chapter that allows learners to pull together the grammar skills they've acquired. About the Book This new edition in the successful Practice Makes Perfect series, Practice Makes Perfect: Italian Pronouns and Prepositions offers a detailed examination of these two essential aspects of grammar, which language learners need to master to communicate with confidence. Learners of a foreign language often have difficulty with these areas because the usage of pronouns or prepositions rarely translates directly from English to the new language. Thus, language learners need much more practice in the areas of pronoun and preposition usage than is provided in general grammar books. This book provides clear explanations of the usage of pronouns and prepositions, followed by practical examples illustrating and clarifying each point. Extensive and varied exercises provide ample opportunity to practice. Answers to all questions are provided at the back of the book, providing immediate feedback. The new edition features a brand-new review chapter that allows learners to pull together the grammar skills they've acquired throughout the book. Key Selling Features New edition features a brand-new review chapter Details all aspects of pronoun and preposition usage Clarifies the subtleties of pronouns and prepositions that often escape language learners Highly varied and extensive exercises for practice Practical and high-frequency vocabulary used throughout Answer key provided for reference and quick feedback Combines the best elements of instruction and practice so readers find all they need in one book.
