Dorothy Richmond : Practice Makes Perfect Spanish Verb Tenses, Premium 3rd Edition (Practice Makes Perfect Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Practice Makes Perfect Spanish Verb Tenses, Premium 3rd Edition (Practice Makes Perfect Series):

2 of 2 people found the following review helpful. Estudias los verbos! By cemberman Excellent book for learning the ins and outs of verbs. One can also get an app to help with it when you want to study but don't have the book with you. This was recommended by my Spanish instructor and I'm so happy she did. 0 of 0 people found the following review helpful. Practice Makes Perfect has the best concise reference and practice books I have found. By Hock44 This

is one of the best concise books on verb tenses. It also has exercises for each form which you can fill out. Then, as it must, it has the answers in the back to check your work. I scan and print individual pages (or copy them) and do the exercises on the copies. Then I can repeat as I want and keep the book blank. It also came with information on a free app that covers all of their excellent publications. A great extra, I use it on my phone and iPad. 4 of 4 people found the following review helpful. A good text supplement
By Summer
This helped me a lot in my Spanish 2 class this semester.

The bestselling workbook on Spanish Verbs updated with comprehensive digital support to help you master Spanish verb knowledge and usage
Practice Makes Perfect Spanish Verb Tenses explains with a rare level of clarity when and why a particular verb tense should be used--not just the correct forms. This book will also give you plenty of practice in using your new language skills, with more than 200 exercises in author Dorothy Richmond's uniquely entertaining style. The Premium Third Edition provides supporting material in the McGraw-Hill Education Language Lab app:
Flashcards for all the verb and vocabulary lists in the book for study on-the-go
Audio Recordings of the answers for all exercises
Record-and-Replay function to compare your answers against native-speaker pronunciation (if your mobile device has this capability)
Progress Tracker to keep track of your progress through the app
Note: audio recordings (totaling 180 minutes) require Internet access.
