Martin Durrell, Katrin Kohl, Gudrun Loftus : Practising German Grammar (Volume 2) (German Edition)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Practising German Grammar (Volume 2) (German Edition):

Great bookBy Drewthere are things in this book that I have not found in any other German grammar book, definitely for a more in depth practice of German grammar.19 of 21 people found the following review helpful. If you finish all the exercises, you will be extremely competent in German.By

Reginald Loggins Every possible pitfall for German learners is covered in this book, and you are given plenty of practice. Living in Germany, I was able to expand my vocabulary and fluency rather well, but I didn't trust myself to write competently, and I felt that I had hit a ceiling with just "learning by doing." I ordered Durrell's grammar book, which is the absolute best grammar book for intermediate to advanced learners, but I felt overwhelmed with all the information without any way to really practice what I had just read. Practising German Grammar is pounding all that great knowledge into my head. A MUST-BUY for upper-intermediate and advanced learners. 0 of 0 people found the following review helpful. Best German Grammar Book By Dallin Fuller I have studied German for about 9 years now and this book is one of the best texts for mastering German grammar and sentence structure.

This new edition of PRACTISING GERMAN GRAMMAR provides you with varied and accessible exercises for developing an in-depth and practical awareness of German as it is spoken and written today. Whether used independently or as the ideal companion to the fifth edition of the widely acclaimed HAMMER'S GERMAN GRAMMAR AND USAGE, this third edition of PRACTISING GERMAN GRAMMAR provides you with the right tools to understand German successfully. Using lively, authentic texts from a wide range of original sources and offering a variety of new and updated exercises designed to stimulate even the most grammar-shy student, PRACTISING GERMAN GRAMMAR THIRD EDITION will help you to expand your vocabulary and improve your ability to speak German.
