**National Geographic Maps : Prague (National Geographic Destination City Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Prague (National Geographic Destination City Map):

4 of 4 people found the following review helpful. Very good for walking in central PragueBy Dan LeifkerDecent map, printed on semi-glossy stock so it looks waterproof and seems sturdy. Excellent if you are walking around the very center of Prague, because the streets and symbols are big and easy to read. Doesn't have much information on public transportation, though, just a small subway map on in inset diagram and subway locations marked on the main map. Nothing on trams. Not very useful if you are going outside the central part of the city, but there is a nice map of the airport. A lot of space is used up for text information which is very useful for tourists.2 of 2 people found the following review helpful. ... and for the tourist spots but is not a good map of the city as a wholeBy CustomerThe map is ideal for the inner city and for the tourist spots but is not a good map of the city as a whole. The add gave the impression that it is a city wide map.0 of 0 people found the following review helpful. Quality and detail are fine as far as it goesBy StephenQuality and detail are fine as far as it goes, but it needed another couple inches of the city for my needs.

Waterproof Tear-Resistant Travel MapWell know for its rich history and historic city center, Prague is one of the most visited cities in all of Europe. Expertly researched, National Geographic's City Destination map of Prague is a unique combination of an easy-to-read road map with a travel guide. The front side covers the five quarters of the city center with unparalleled detail. Road designations are shown and hundreds of points of interest are pinpointed, including subway, train and tram stations, theaters, hotels, places of worship, notable buildings and parks. Many of the city's top attractions are depicted in 3D, including the Prague Castle, Charles Bridge and National Museum.The reverse side has a regional map as well as inset maps of the Castle District and Charles Bridge. Finding your destination couldn't be simpler, with streets names, parks, hotels, metro stations and points of interest listed in a convenient index. A comprehensive map of the city's three metro lines will aid in your navigation around the city, as will a diagram of Prague airport and an overview of the city's public transportation. Also included is essential information about the city and descriptions of many of the most popular attractions. Such an abundance of specialized information make this map the perfect complement to National Geographic's Prague Traveler Guide.Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:7,250Sheet Size = 24.75" x 17.75"Folded Size = 4" x 8.75"
