Michael John Holosko : Primer for Critiquing Social Research: A Student Guide (Research, Statistics, Program Evaluation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Primer for Critiquing Social Research: A Student Guide (Research, Statistics, Program Evaluation):

This practical text shows students how to critique social research in a simple, hands-on manner. Designed for use in conjunction with a core research methods text, it guides students through each element of a research article, thereby helping them to develop the analytical tools and critical thinking skills they need to make an informed assessment of

the research study they are critiquing.
