From Brand: Princeton Univ Pr : Princeton Encyclopedia of Poetry and Poetics (Princeton Legacy Library)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Princeton Encyclopedia of Poetry and Poetics (Princeton Legacy Library):

This comprehensive reference work deals with all aspects of its subject: history, prosody, types, movements, and critical terminology. Prepared by recognized authorities, its articles treat their topics in sufficient depth to be of value to the scholar as well as to the general reader. Originally published in 1975. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
