Nedda Gilbert, Princeton Review : Princeton Review: Best 80 Business Schools, 2000 Edition (Best Business Schools (Princeton Review)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Princeton Review: Best 80 Business Schools, 2000 Edition (Best Business Schools (Princeton Review)):

0 of 1 people found the following review helpful. Princeton Review of Business SchoolsBy Linda Stevens"Princeton Review The Best 80 Business Schools" provides information needed to make the crucial decision of a school. The book offers insight for a winning application, gives step-by-step advice on writing a good essay, and helps clarify the admission process. It also contains a student ranking survey.8 of 43 people found the following review helpful. The

rankings are based on absurd standardsBy A CustomerRankings are based on ironic grounds. For example, ratio of students and faculty and on statistical failure!

What makes The Best 80 Business Schools the leading business school guide?**THE LARGEST ANNUAL STUDENT SURVEY**If you want to know what life is really like at the country's leading business schools, then listen to the students who attend them. This book contains the results of the largest annual business school student survey. More than 18,000 students told us what they think, and we've included their comments here in the most comprehensive and definitive guide ever produced.**ALL THE INFORMATION YOU NEED TO MAKE A CRUCIAL DECISION**The school you choose determines how you'll spend the next two years of your life and greatly influences how well you will do in the job market when you graduate. The updated 1999 Edition of The Best 80 Business Schools advises you of the positive attributes and possible drawbacks of the top 80 business programs. Each profile includes information on the curriculum, faculty, workload, admissions, financial aid, and job placement statistics, as well as the addresses and telephone numbers you'll need to apply. We even tell you how to research business schools online.**Putting Together a Winning Application**Sample essays critiqued by admissions officers**Admissions case studies** that show you what it takes to get in**How admissions criteria are weighted** (GPA, GMAT, recommendations, etc.)**Fifteen application blunders** that can hurt your chances**EXCLUSIVE RANKINGS IN FIFTY-SIX CATEGORIES**We rank the top (and bottom) schools according to student opinion on topics including academics, pressure, social life, campus facilities, and job placement and recruiting.**MORE THAN JUST FACT AND FIGURE**The Best 80 Business Schools is an all-inclusive review of business education. This book explores recent b-school trends, tells you what to expect from the curriculum, and gives you the lowdown on a day in the life of a student, including a complete glossary of insider lingo.
