Lancaster : Professional Piano Teaching, Vol 1: A Comprehensive Piano Pedagogy Textbook for Teaching Elementary-Level Students** before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Piano Teaching, Vol 1: A Comprehensive Piano Pedagogy Textbook for Teaching Elementary-Level Students:

4 of 4 people found the following review helpful. Good advice for all music teachersBy headI am a Guitarist and guitar teacher and I found very useful advice in this book for everything from curriculum sequence [what to teach

when] to GREAT advice on starting and maintaining a successful studio.3 of 3 people found the following review helpful. Excellent reference for any teacherBy Heidi SuslaExcellent reference for any teacher, beginner or experienced. Packed full of information I've found to be very useful. I wish this had been around 20 years ago! I've also purchased the second book now.1 of 1 people found the following review helpful. Great book! Definitely a good buy and gives you ...By Victoria SongGreat book! Definitely a good buy and gives you a great idea of what to expect as a piano teacher. All common sense but very good to have written down in front of you since usually many of us forget what is common sense.

Written by a teacher with 25 years' experience as an independent piano teacher and a 20-year tenure at the college level, this textbook is an excellent introduction to the profession of teaching piano. Edited by E. L. Lancaster. Topics include: principles of learning; choosing beginning piano methods; teaching concepts to beginners and elementary students; teaching rhythm, reading, technique and musicality; choosing and presenting repertoire; group teaching; teaching preschoolers; the business aspects of teaching; and the evaluation of teaching. Special features include: discussions on how to teach-not just what to teach, analysis of common problems of beginners with suggested solutions, numerous musical examples, chapter summaries, suggested projects for new and experienced teachers, detailed lesson plans for private and group lessons, and sample business forms and policy statements for independent teachers. 396 pages.

About the AuthorJeanine M. Jacobson completed her doctorate at the University of Oklahoma. She subsequently served a 20-year tenure as professor of piano and piano pedagogy at California State University, Northridge, where she currently holds the position of professor emeritus.
