Ron Spagnardi : Progressive Independence:Jazz (Book/Mp3 Disc) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Progressive Independence:Jazz (Book/Mp3 Disc):

1 of 1 people found the following review helpful. Good introduction to jazz independence By Gregory W Siegfried I had been struggling with John Riley's Art of Bop Drumming and was referred this book. It has good exercises that help build independence starting at a more basic level. It has helped tremendously. I recommend using this book to anyone interested in starting to play jazz drums. 0 of 0 people found the following review helpful. Five Stars By David
