Martin Hewings, Sharon Goldstein : Pronunciation Plus Student's Book: Practice through Interaction before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pronunciation Plus Student's Book: Practice through Interaction:

3 of 3 people found the following review helpful. Pronunciation PlusBy The Hungry ReaderAs an ESL teacher at UC Berkeley, I used this book many times - and, for more than one level, including low-intermediate to high. It is excellent, an A+ because the lessons are short, on target, truly helpful. I am now using it for a low level, all Hispanic class: they love it. I can already hear the benefits of their practice with it. When in doubt about what to use, I always grab this and am never disappointed. The lessons can stand alone, or be used to build - one upon the next. This makes it perfect for a semester or a week, for credit or non-credit. It can be used alone, or with other materials. I recommend

it highly.0 of 0 people found the following review helpful. Will carry you from beginner English learner to high intermediateBy Kay SI have this and the student book. They work very well together. I like the progress through the vowels, consonants to the consonant clusters, then on the syllable, then word stress in the sentence. Well thought out.0 of 0 people found the following review helpful. Pronunciation Plus Student's Book: Practice through InteractionBy Iw SkaThe book arrived in the estimated date and the situation of the book, described as good, was better than expected. Very good purchase for an exchange student as me. Thank you.

This book helps students improve their pronunciation through a variety of stimulating listening and speaking exercises. Pronunciation Plus Student's Book helps intermediate-level students improve their pronunciation through a variety of stimulating listening and speaking tasks that address all the important topics in English pronunciation: individual speech sounds, sounds in connected speech, stress, rhythm, intonation, and spelling. Many of the tasks are done with a partner or in small groups, giving students the opportunity to interact with their classmates while practicing their pronunciation.
