Martin Hewings : Pronunciation Practice Activities with Audio CD: A Resource Book for Teaching English Pronunciation (Cambridge Handbooks for Language Teachers) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pronunciation Practice Activities with Audio CD: A Resource Book for

Teaching English Pronunciation (Cambridge Handbooks for Language Teachers):

1 of 1 people found the following review helpful. ESLBy Anne GrauzlisGreat book for ESL teachers especially when working with pronunciation. Too bad the disc was not included with the order. Lots of helpful practice work for student and teacher.0 of 0 people found the following review helpful. Five StarsBy CustomerSome really practical activities in here. Very helpful2 of 3 people found the following review helpful. DISAPPOINTINGBy Carol Ann CollinsTo my dismay, the CD and references in the book are based on British accent -- not North American!Other content in the book is helpful in several instances -- but this is not the help that I had hoped and expected.

This is a resource book for teachers looking for ideas on how they can make pronunciation teaching more interesting. It contains a collection of pronunciation practice activities for a wide range of levels, using a variety of methods. Divided into two parts, the first part introduces information about phonetics and phonology as background to the teaching activities, without being overwhelming. It also highlights some of the current areas of debate and discussion in the teaching and learning of English pronunciation. The second part of the book contains nearly 100 pronunciation activities divided into eight sections: Developing awareness; Sounds; Connected speech: Syllables and stress; Intonation; Pronunciation and spelling, grammar and vocabulary; Testing and Resources for pronunciation teaching. The book is accompanied by an audio CD with material to support the activities.
