Kristin Morrison : Prosperous Pet Business: Interviews With The Experts - Volume One before purchasing it in order to gauge whether or not it would be worth my time, and all praised Prosperous Pet Business: Interviews With The Experts - Volume One:

Want to create the most successful doggy daycare, dog training, pet sitting, pet grooming, or dog walking business possible? Pet business coach Kristin Morrison interviews 20 top pet and business experts including Patti Moran, Ian Dunbar and Andrea Arden on what it really takes to start and run a pet business that thrives. You'll learn how to market your business to the masses, hire staff that your clients rave about, manage your business in different locations and much, much more. You'll also learn valuable tips for running your pet business so it doesn't run you. You can have both a successful business and a life you love. This book will show you how!
