Sharon W. Foerster, Anne Lambright : Punto y aparte (Spanish) Standalone Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Punto y aparte (Spanish) Standalone Book:

1 of 1 people found the following review helpful. In Poor Condition and Written InBy CustomerHad to buy the online code for my Spanish class. The code comes with an Ebook version of this, but I wanted a paper copy so I ordered this rental. It's very beat up out of the box, with many of the pages sticking together from apparent coffee stains from the previous owner/renter. Additionally, the previous owner/renter has written in (with pen) most of their answers for the problem sets in the book. All in all, I now have a paper copy and don't care enough to return it, but it's a pretty weak showing and I guess I know now why it was a \$20 rental.0 of 0 people found the following review helpful. Two StarsBy CustomerThe back cover was ripped off when i recieved it0 of 0 people found the following review helpful. DeceivedBy CustomerIt was the instructor's edition which I do not feel was made clear when I purchased it.

Punto y aparte: Spanish in Review, Moving Toward Fluency places communicative goals at the forefront of the intermediate Spanish course so students don't just learn about the language, they learn how to use the language in an authentic and natural way that allows students to express themselves with increasing fluency and accuracy in real-world settings. The proven qualities of Punto y aparte include: - a focus on seven core communicative functions (called out with icons throughout the program) and the grammatical structures that support them. These functions are constantly recycled throughout the program to reflect the real-life use of language. - meaningful communicative practice through writing and speaking activities presented in a real-world context. In Connect, our composition and peer editing tools along with our Blackboard IM and VoiceBoard tools allow students the opportunity to have communicative practice with their peers outside the classroom as well. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. - constant recycling of grammar and vocabulary throughout the program using the seven communicative functions, Para repasar boxes, Pruebas diagnósticas, and the LearnSmart suite of tools. - cultural content in the form of new Cuentenos! videos and the Viaje conmigo a videos as well as readings on art, music and history serve to recycle grammar and vocabulary and to enrich students' experience of language learning and provide a window into Spanish-speaking cultures. These features support the core goals of the intermediate Spanish course and put students on a successful path from simple utterances to more extensive discourse, from sentence-level to paragraph length expression. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

About the Author Anne Lambright is Associate Professor of Modern Languages and Literature in the Hispanic Studies Program at Trinity College in Hartford, Connecticut. She earned her Ph.D. in Latin American Literature from the University of Texas at Austin. Her research and teaching focus is on contemporary Latin American Literature, Andean literature, indigenismo, and Latin American women's writing, topics on which she has published several articles and books. She is the author of *Creating the Hybrid Intellectual: Subject, Space, and the Feminine in the Narrative of José María Arguedas* and co-author of *Unfolding the City: Women Write the City in Latin America* (2007), with Elisabeth Guerrero. In addition, she is the co-author of *Metas: Spanish in Review, Moving Toward Fluency* (2008).
