This was not a bargain we should have bought the combo pack of textbook, workbook online access at the college bookstore0 of 0 people found the following review helpful. Five StarsBy MaryGOOD book0 of 0 people found the following review helpful. Great help that goes along with Text Book.By Stephen KinderBought this for my daughter, This should be used only with the Text Book. This is a good help but it is not magic, you have to spend time and more time studying - just like any other subject you want to learn.

Supplementary Materials to accompany *Puntos de partida*, 8e, by Sharon Foerster and Jean Miller (University of Texas, Austin) is comprised of worksheets and a teacher's guide. These two supplements are a compilation of materials that include short pronunciation practice, listening exercises, grammar worksheets, integrative communication-building activities, comprehensive chapter reviews, and language games.

About the Author Sharon Wilson Foerster retired from the University of Texas at Austin in 2001, where she had been the Coordinator of Lower-Division Courses in the Department of Spanish and Portuguese, directing the first- and second-year Spanish language program and training graduate assistant instructors.
