NOTE: This Item does not contain access code along with it. Its more than a text. Its a program. Success in the language classroom requires so much more than just a text. In any language-learning setting, students require numerous and various opportunities to read, write, hear, and speak. Puntos de partida sets the standard for Spanish-

language teaching. An innovative program that has been continuously refined for today's classroom, Puntos delivers proven pedagogy with clear and effective presentations, comprehensive teaching resources, and powerfully adaptive digital tools. Now in its anniversary Tenth Edition, Puntos builds on the holistic, five-skills approach it pioneered. It's the Puntos you know. It's the Puntos of today.
