Thalia Dorwick : Puntos Textbook + Connect Spanish Plus (w/wk/Im, eBook, and LearnSmart) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Puntos Textbook + Connect Spanish Plus (w/wk/Im, eBook, and LearnSmart):

5 of 5 people found the following review helpful. ... about not getting the connect with the text book like how title says
By Laura Rodriguez I'm really upset about not getting the connect with the text book like how title says. don't buy.
0 of 0 people found the following review helpful. Even the teacher didn't like it, but it was the book assigned by ...
By Jennifer M. I despised this book. It did not help me with my Spanish class at all, but was required and I had to have it with the access code to do my course work. Even the teacher didn't like it, but it was the book assigned by the school.
1 of 1 people found the following review helpful. Hate Hate Hate
By Carrie This is awful. I should have known when they sent a representative to our class the first week to explain how to use it. If you need to do that, it's a sign that the

program is confusing and buggy. Assignments would disappear and then reappear after the due date. Some of the content you're assessed on in the assignments isn't covered in the corresponding chapter. Audio frequently failed, making it impossible to complete whole sections. The rep encouraged us to call the help line to solve issues we encounter. If I called every time I encountered a problem with Connect Spanish, I would be calling every day. I did twice, spent a out 40 mins on the phone each time and hung up disappointed. It should not be the responsibility of the student to ensure that the program works properly. They charge each of us enough to put some resources back into the program to make sure it actually functions

Take a fresh look at Puntos its everything you wanted and more than you hoped for. Puntos has offered more than a million students a solid foundation to their language studies. The new edition of Puntos maintains its pioneer approach of the development of all four skills with a strong grammar and vocabulary foundation, as well as the teacher tested activities. The new design of Puntos brings to this program the best tradition of excellence and outstanding instructor support adaptable to different teaching and learning styles. Puntos , the most successful Intro Spanish program ever, is now: breaking new ground to meet the changing needs for face-to-face, hybrid, and online Spanish programs. offering students more opportunities to develop their communication skills via TelePuntos, a new integrated video program with corresponding in-text and digital activities. innovating through LearnSmart, a first-of-its-kind adaptive learning system within McGraw-Hill Connect, adjusts to the learning needs of every student This new edition of Puntos provides students with all of the necessary tools to take their second language acquisition from the classroom into their daily lives in an efficient and personalized way. With Connect Spanish, the exclusive digital learning platform from McGraw-Hill, students have access to Mundo interactivo, an immersive, story-based world where they experience the thrill of mastering relevant, task-based communication scenarios in real-world contexts. Also, with synchronous and asynchronous video chat functionality, students can easily engage in communication practice online. Additionally, McGraw-Hill and Blackboard have teamed up to simplify the instructor and student digital learning experience! McGraw-Hill allows you to manage your course content, assignments, assessments, and grades all from within your institutions existing Blackboard environment. Puntos it WILL take you there!
