have proof read before sending to print. When I gave the book to my teens to read they were focused on all of the typos and spelling errors. Critiques from my teens: "How can we trust you can train a puppy If you can't use simple editing resources?" 0 of 0 people found the following review helpful. Some good tips By Bonnie T. I've had some problems with a new pup, so have read several different guides. This one seems to be a gentler way. 0 of 0 people found the following review helpful.
