Georg Purvis : Queen: The Complete Works before purchasing it in order to gauge whether or not it would be worth my time, and all praised Queen: The Complete Works:

0 of 0 people found the following review helpful. Great Book !!!By RafavelezGreat Book !!!0 of 0 people found the following review helpful. A Queen encyclopedia! It really is! With details about EVERY song (including solo, demos, bsides, etc) plus every album, live, etcBy Leonardo Archivist Pelz Stone Cold Leo'82 B.R.A Queen encyclopedia! It really is! With details about EVERY song (including solo, demos, bsides, etc) plus every album, live, etc. A MUST HAVE for every Queen fan. Maybe not to read page by page but to check an information when needed!0 of 0 people found the following review helpful. Yeah, fans. Read this one.By RobI enjoyed reading this. I learned a lot about my first favorite band which I hadn't read elsewhere; The song analysis section was a little boring to read because he described the songs alphabetically instead of album by album. Still, an in depth read. The best book on Queen I've read

so far.

Clashing together outrageous musical influences and extravagantly visual imagery, Queen's place in history as the greatest glam band of them all is rock solid. Their fan base continues to grow, a decade and a half on from the death of Freddie Mercury, Queen's super-charismatic front man. Georg Purvis's meticulous, session-by-session, song-by-song, album-by-album, tour-by-tour record of the band's progress is the complete reference source that Queen fans have been waiting for. If you love the Champions of Rock, it's all here: The Band - detailed insights into Freddie Mercury, Brian May, Roger Taylor and John Deacon The Albums - detailed production history and analysis of every album, including solo releases The Sessions - in depth coverage from the early days via A Night at The Opera all the way to Made in Heaven The Songs - hundreds of individual entries on all the famous recordings, as well as obscure, unreleased rarities The Tours - set-lists and histories of every live show The Videos - a complete guide to Queen's groundbreaking video work The Movies - Flash Gordon, and other projects Plus - the reunion shows with Paul Rodgers, the radio sessions, the costumes, the parties and much, much more...

About the Author Georg Purvis is a writer, amateur photographer, musician, avid music collector, and leading historian of Queen. He works in the book design department of a publishing company and lives in Bucks, Pennsylvania.
