Bill VanPatten : Quia WBLM Access Card Part B for Sol y viento before purchasing it in order to gage whether or not it would be worth my time, and all praised Quia WBLM Access Card Part B for Sol y viento:

1 of 1 people found the following review helpful. Horrible!By TashaNormally I don't do this kind of thing but going to save people the hassle:I ordered this product off of here and when I received it in the mail I ASSUMED it would be the correct card. Without checking I entered the code online and found it to be the wrong book/card. I double checked with my order on here and my online order was correct but the card I received was the wrong volume. I attempted to return it but "It was used/opened so no refund is in order. We are shipping it back to you." I'm out \$75 plus had to pay for the CORRECT online book. After trying to make contact several times and was just being told the same thing. Very unhappy!0 of 0 people found the following review helpful. teacher's edition?By brendaandersonI was sent the teacher's edition, and it was late. My son took it to class, because he had no other book, and the professor was angry.0 of 0 people found the following review helpful. A good course!By LynThis is the workbook for the Spanish text I am using in my college courses and I've found this to be a very good program.

McGraw-Hill is proud to partner with Quia in the development of CENTRO, our online media center for languages (www.mhcentro.com). CENTRO, a comprehensive learning management system, helps instructors to manage their courses with robust communication tools, record-keeping that can be imported to Blackboard and other CMS platforms, integration of instructor resources such as the Instructors Manual and Testing Program, Digital Transparencies and PowerPoint slides, and provides instructors with the ability to customize or add their own content.
