Daniel McKay : Quien me llama?: Learn Peruvian Spanish Slang before purchasing it in order to gage whether or not it would be worth my time, and all praised Quien me llama?: Learn Peruvian Spanish Slang:

0 of 0 people found the following review helpful. Loved this quickie ebook (the type of book that actually ...By Nome de PlumeLoved this quickie ebook (the type of book that actually sells, since slang is very attractive to learners); one

warning, actual peruvians said they never heard of many of the favorite words I read to them, like "Frito", and some words were known but fairly rare "Choborra". Others are very useful and in common use, like "Huachafo". There should have been some indication of how common the words are; several may be outdated slang. A slang dictionary ages faster than Webster's. 6 of 6 people found the following review helpful. Chvere! By Che Boludo! Well put together book on Peruvian slang. Well researched. Simple format. Good examples of their use. Enjoyable. You too will be able to converse with the taxi drivers "al toque" after checking out this book. Recommended. 0 of 0 people found the following review helpful. Four Stars By EBONY BURROWEShilarious

Don't get caught out in Peru by not knowing at least a little of the local spanish slang. In this book, the most important slang words which are spoken day to day on the streets in Peru are explained in English. As an added bonus each word comes with a sample sentence in Spanish to help contextualise the use of each word. Who is this book? Anyone who wants to learn some of the Spanish slang that is used in Peru. For anyone planing to travel to Peru this book is a must have companion. Regardless of your level of Spanish, the contents of this book will give you some important words and phrases that will make your time in Peru that much more enjoyable by being able to communicate that much better with the locals. Don't go to Peru without a copy of this book.

"Very useful, accurate, can't say more buy it. Welll worth it in understanding Peruvian culture as a foreigner. Well researched." - US customer review...
