Rand McNally : Rand McNally 2017 Gift Road Atlas (Durable vinyl cover) (Rand McNally Road Atlas United States/ Canada/Mexico (Gift Edition)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally 2017 Gift Road Atlas (Durable vinyl cover) (Rand McNally Road Atlas United States/ Canada/Mexico (Gift Edition)):

11 of 11 people found the following review helpful. Decent atlasBy Aldo NovaNice road atlas. Vinyl cover was not quite what I expected though. It's basically just a clear plastic sleeve like you would use on hardback school books back in the day. As such, its pretty loose fitting. Not a major deal, but we thought it would be more form fitting. Also,

and this applies to all road atlases I've seen lately, despite the large size of the actual book, the map content seems small in terms of actual map and print size. Again, not a major problem, but would rather have larger maps even if it took more pages. 2 of 2 people found the following review helpful. Canada section needs work By Ashley This is MOSTLY great. However, if you (like me) travel in Canada at all, this will not suffice. British Columbia ends at Fort St. John and there's nothing north of that. Yukon, NWT, and Nunavut aren't included at all. Ontario is cropped to about 25% its size. The parts of Ontario that border Minnesota are nonexistent (nothing west of Sault Ste Marie) and there isn't much north of Lake Huron either. I bought this to have as a reference but also specifically for an upcoming trip where I'll be driving around parts of Ontario that I haven't been to before.... specifically the parts that are missing from the map :P I will keep it in my car for other travel around the US, but be warned that it is NOT a good guide for Canada! I will be searching for a Canada equivalent that contains the ENTIRE nation ;) (it's kind of a big place....) 5 of 5 people found the following review helpful. ... most detailed Atlas I have ever used I really like it a lot By Customer The most detailed Atlas I have ever used I really like it a lot !

2017 Gift Road Atlas Overview A durable see-through cover enhances the classic Road Atlas, making it travel-ready with added protection against constant use, spills and exposure to the elements. The Rand McNally Road Atlas is the most trusted and best-selling US atlas on the market. This updated North American atlas contains maps of every U.S. state and Canadian province, an overview map of Mexico, and detailed inset maps of over 350 cities and 20 U.S. national parks. Road construction and conditions contact information for every state conveniently located above the maps. Contains mileage chart showing distances between 90 North American cities and national parks along with a driving times map. Other Features Best of the Road - Our editor's favorite road trips from our Best of the Road collection follows scenic routes along stretches of coastline, both east and west, to forests mountains, and prairies; and through small towns and big cities. For a weekend or a week there s something for everyone. Tell Rand! As much as we work to keep our atlases up to date, conditions change cquickly and new construction projects begin frequently. Tourism websites and phone numbers for every U.S. state and Canadian province on map pages
