As a family we enjoy traveling and eventually want to take a long trip around the United States. Our boys are 2.5 and 4yrs old and they have enjoyed this map and us pointing out the different places we have lived and where we want to go etc. The map comes rolled in a tube for easily storage. I just recently got some Crayola Dry Erase Markers. They are wonderful!! They don't have the smell of regular dry erase markers and they work on this map fabulously. Wipes right off. Crayola Large Dry Erase Crayons, 8 count (98-5200) 0 of 0 people found the following review helpful. Great map of the USA By Ryan Map is great. I know there are better ones out there, however this one is great for what I needed it for. Won't feel bad writing on it or pushing pins in it. 0 of 0 people found the following review helpful.
