Elaine Costello : Random House Webster's American Sign Language Legal Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Random House Webster's American Sign Language Legal Dictionary:

0 of 0 people found the following review helpful. I love the book and think it's quite usefulBy CustomerI love the book

and think it's quite useful. It arrived in great condition, and was as described. However, the price on the books cover is 29.95. I paid 5 times that much. I don't blame the seller they were just putting it out at market value. It's just crazy.0 of 0 people found the following review helpful. Great resourceBy Blackwater GirlThis book is a very useful resource for supplementing the average ASL dictionary.I highly recommend this book to anyone wanting to increase their ASL vocabulary.1 of 1 people found the following review helpful. Disappointed.By effeCost me quite a lot more than the original price! Disappointed.

The only dictionary of its kind, Random House Webster's American Sign Language Legal Dictionary is sure to become the definitive ASL reference for legal matters from criminal law to real estate. Whether it is used in the courtroom, classroom, office, or home, Elaine Costello's unrivaled dictionary bridges language gaps in legal matters between the deaf community and their families, colleagues, and community. The third in a successful series of specialized sign language dictionaries, Random House Webster's American Sign Language Legal Dictionary features over 1,000 signs, complete definitions, full-torso illustrations, and step-by-step descriptions of how each sign is formed.

About the AuthorDR. ELAINE COSTELLO is a prominent educator and author who has worked in the field of deaf education for over 25 years. She holds a Master of Science Degree in Deaf Education from the University of Kansas and earned her doctorate in Instructional Technology from Syracuse University. Dr. Costello recently retired as the director and editor-in-chief of Gallaudet University Press, at the world's only liberal arts college for the hearing impaired.
