Which is very useful in school.0 of 0 people found the following review helpful. Not the one picturedBy 2 cuties mommyThe one pictured is not the one I received. The one I got is quite a bit smaller (about 3"x4") and has a green and yellow vinyl cover. It's still a great dictionary (which is why I gave it 3 stars), but it's got that tiny print that is kinda hard to read. I am going to keep it, because it will be good to keep in a pocket while out and about, but I am still gonna try to find the one I really wanted elsewhere.0 of 0 people found the following review helpful. Nice sizeBy Gadget girlNice size if need to carry around, but only after couple uses, the pages seem to be coming apart. Not the best quality binding.
